24 July 2019

3i announces five senior promotions in its Infrastructure team

3i is pleased to announce the promotions of Matt Barker, Aaron Church and Daniel von der Schulenburg to Partner, and of Céline Maronne and Oscar Tylegard to Director, in its Infrastructure business.

Matt Barker joined 3i in 2010 and has been responsible for a number of 3i Infrastructure plc's investments, including Eversholt Rail Group, Wireless Infrastructure Group, TCR and Tampnet. Matt currently sits on the boards of Wireless Infrastructure Group, TCR and Tampnet.

Aaron Church joined 3i in 2013. Since then he has played a key role in 3i's acquisitions of Attero, Joulz and Herambiente and is a director on the boards of Attero, Joulz and Oystercatcher.

Daniel von der Schulenburg joined 3i in 2016 and focuses on the German-speaking region and the energy sector. He has been involved in the acquisitions of Infinis, Alkane Energy and Attero and is currently a director on the boards of Infinis and Attero.

Céline Maronne joined 3i in 2013. She led the acquisition of the Hospital of Cascais and was involved in the investments in TCR, Valorem and Joulz. Céline currently sits on the board of TCR.

Oscar Tylegard joined 3i in 2013. His transaction experience includes ESVAGT, East Surrey Pipelines, Infinis, Alkane Energy and Tampnet. He is currently on the boards of ESVAGT and Tampnet.

Phil White, Managing Partner and Head of Infrastructure, 3i Investments plc, commented:

"I would like to congratulate Matt, Aaron, Daniel, Céline and Oscar on their well-deserved promotions, demonstrating the strength and depth of the infrastructure team at 3i."

-Ends-

About 3i Group

3i is an investment company with two complementary businesses, Private Equity and Infrastructure, specialising in core investment markets in northern Europe and North America. For further information, please visit: www.3i.com

About 3i's Infrastructure business

3i is a leading European infrastructure investor, with a track record of investing in infrastructure since 1987. The current team of 33 investment professionals advises and manages five infrastructure investment vehicles, including 3i Infrastructure plc, BIIF, the 3i European Operational Projects Fund, 3i MIA and the 3i India Infrastructure Fund.

The business, which had assets under management of approximately £4.2bn at 31 March 2019, invests principally in economic infrastructure businesses and greenfield projects. The business had a very strong year in FY19, advising 3i Infrastructure plc ("3iN") on investments and commitments totalling £377m and on the divestment of Cross London Trains ("XLT") generating proceeds of £333m.
